

Below is the link to the online photo album from the ribbon cutting ceremony held last Friday, August 8th 2008 at The Gardens at Creekside in Olathe, Kansas. It was a great success! A big thanks to Peggy Breit and KMBC Channel 9 for their coverage of the event on Friday which generated hundreds of visitors for Saturday's BBQ and open house. We actually had people lined-up in the rain waiting to get in once the doors opened.

Thank you also to Mayor Copeland, the City of Olathe's staff, City Council, Council Woman Vogt, Char MacCallum, and the Chamber of Commerce for their involvement. Your help and support from the beginning has generated much needed attention to this remarkable development.

So again, thank you, from all of us at Overland Property Group, Weigand-Omega Management, and The Gardens at Creekside!
